

MX 360

MODEL Ambulance

AN EFFICIENT EMERGENCY VEHICLE THAT PUTS SAFETY FIRST.

Rescue people anywhere, quickly and safely. With its integrated nurse seat, hinged sides and first aid compartment, the MX-360 Ambulance makes a great turnkey solution. Its short turning radius and impressive maneuverability are ideal for confined settings. The long list of options include electric siren, red strobe light, second storage compartment, multi-level cot and IV pole. This zero-emission vehicle can also be equipped with top, windshield and roll-up sides for all-weather protection. Fully customizable and brandable.

FEATURES

- Built-to-last all-steel unibody construction **1**
- Heavy-duty powder paint & protection **2**
- Smooth-ride wheels in multiple models and options **3**
- Heavy-duty braking power **4**
- Inboard / portable high frequency PFC battery charger* **5**
